ADAMANTEM CAPITAL WELCOMES NEXON ASIA PACIFIC TO INVESTMENT PORTFOLIO

Australian private capital manager Adamantem Capital (Adamantem) is pleased to officially welcome Nexon Asia Pacific (Nexon) to its investment portfolio following the completion of the transaction.

Adamantem's acquisition of a majority stake in Nexon, a leading integrated digital & IT services provider, marks the eighth investment from Adamantem's second buyout fund alongside Retail Zoo, QANTM and Advara Heartcare.

Adamantem Managing Director Katie Wood said: "Having invested successfully in IT services businesses, we see a great opportunity for Nexon to grow organically and inorganically in Australia and New Zealand.

We look forward to working with Nexon's co-founder and CEO Barry Assaf and his team to accelerate that next phase of growth together."
